## PARKER HOUSE SCRIP USED DURING CIVIL WAR

All of my Sales have been conducted at the site of the Old Parker House where the New Parker House now stands, a thoroughly up to date, modern hotel.

The Management has shown my local and out of town guests, as well as myself, every courtesy and consideration. When visiting Boston, make this hostelry your home.

Our old friend, Bill Aldrich, will not be able to be with us at this sale, owing to his serious illness. Here's hoping Bill for your rapid recovery.

Heyliger De Windt, well known in Philatelic circles, will officiate as auctioneer.

The delay in holding this sale has been due to an attack of pneumonia. My old friend, Doc. Waters of New Bedford, was at my store the Saturday before Christmas and ordered me home. The Doctors kept me there and in the Hospital for three months after that.

MY TWENTY CENT OFFER FOR "PRICES REALIZED"  
will be continued.

20c in STAMPS before the sale for "PRICES REALIZED" SHEET;  
50c after the sale.

Paper Money" booklet; "Essay for Third Issue". "Issue forbidden by Act of Congress in 1866. The backs are separate and were printed in both red and green. As both Generals were then living, Congress considered it unwise to place their portraits upon its currency. However, a number of these notes were issued and are held by many collectors." The front and back have been pasted on light card board. The back is Red and the Obv. signed by "Jeffries and Spinner". Both are clear, clean pieces and should bring six to eight dollars.
